

BY YOUNG PEOPLE, FOR YOUNG PEOPLE

HAMPSHIRE YOUTH PARLIAMENT

WE ARE RECRUITING!

Hampshire Youth Parliament

What is the Hampshire Youth Parliament?

We are a group of young people who run campaigns about issues that the young people in the area have voted to be the most important to them. We also get to speak to politicians, decision makers and officials about how we can change our area for the better.

What will I need to do?

You will be expected to attend monthly team meetings currently via a virtual platform such as Microsoft Teams or Zoom, as well as campaign group meetings. Other responsibilities include:

- Talk with your constituents
- Organise and run campaigns
- Meeting with decision makers
- Attend conferences once it is safe to do so, and lots more.

The Make Up of Hampshire Youth Parliament.

There are 6 Members of Youth Parliament, split into areas, and 6 deputies, 1 for each area. We also welcome volunteers who don't want as much responsibility, but still want to help their local community. You must live in or go to school in Hampshire to apply.
